

MOVING WITH KIDS

Moving with kids is no easy task and it takes a lot of management. So, where does one start?

2 months out

Enrol the kids in school.
Tell your child's current school and their friends about the move.

Involve the kids and have them sort and pack their room.

1 month out

1 week out

Donate the kid's old toys and unwanted goods to St Vincent de Paul and pack your remaining moving boxes.

Set aside medical and school records. Organise child care or a babysitter for the kids on moving day.

Moving day

Let Grace help move your household goods while you settle into your new home with the kids.
