

# Move house, make a difference

There is a lot to do when you move house, which is why we are keen to pitch in and help lighten the load.

## Why donate?

Generosity goes a long way and it is amazing how much difference your donation will make.

The St Vincent de Paul Society has been supporting Australians who are living in poverty and experiencing disadvantage for over 160 years. The charity operates more than 650 Vinnies shops nationally selling pre-loved, donated goods. Money generated through the shops is vital to funding St Vincent de Paul Society's many national programs, including:

- Operating homeless services
- Employment and financial support services
- Friendship programs for those living with mental illness
- Youth services
- Refugee assistance and resettling programs

## How to donate

1. Request a Vinnies charity box from Grace
2. Grace will deliver the box prior to your move
3. Grace will collect the box and deliver, on your behalf, to your local Vinnies shop

- ✗ **Broken items or appliances that no longer work**
- ✗ **Any electrical items**

## Donating furniture

We can only collect items that fit into a box. You can find the contact details of your local Vinnies at [www.vinnies.org.au/shops](http://www.vinnies.org.au/shops) to facilitate pick up of your furniture, which can then either be sold, or used in one of our refuges, both of which ultimately help people experiencing disadvantage.

Always more.
